RETURNS:

XENON DEFECTIVE GOODS/WARRANTY POLICY

All XENON urethane components Lifetime Warranty. XENON warrants our product against defects in material and workmanship during the lifetime of the product to the original purchaser. Additionally, we warrant our urethane products not to crack, split or delaminate UNDER NORMAL ROAD USE. This warranty is void if any damage occurs to the product due to misuse, abuse, neglect, accident, fire, vandalism, alteration, Acts of God, defective parts not manufactured by Xenon, and improper installation or use contrary to the instructions accompanying the product, also void this warranty.

XENON shall not be liable for any incidental or consequential damage, including but not limited to damage resulting from the use of the product on repainted surfaces (non-factory original paint). Fading and paint coloration differences resulting from portion of the product being shielded to direct sunlight while other surfaces remain completely exposed, are not covered by this warranty. XENON will, at its option, either repair or replace product which proves to be defective. This warranty covers the costs of the defective part only. Any and all cost for removal, re-installation painting, shipping or other incidental charges, are not covered by this warranty.

An itemized list of defective merchandise must be provided to receive an RGA number. All RGA requests must be received in writing and faxed to XENON at 714-632-2738. Unauthorized return of defective merchandise is ineligible for merchandise credit.

All RGA warranty requests received directly from our valued Customers will be reviewed and identified for:

a) legitimacy of claim

b) sufficient warranty reason

c) valid, current production part numbers

After review of original RGA request for the above criteria, an RGA number will be issued and returned to you via fax within 48 - 72 hours of receipt of original RGA request. This shall be constituted as approval from XENON to return defective merchandise.

If there are any discrepancies found in the original RGA request, a representative of XENON will contact our Customer and secure additional information. At this time, our Customer may be required to submit a new, adjusted RGA request for approval.

Some requests may require a field inspection prior to authorization. Customer will be notified immediately if a field inspection is required.

All returns must be received at XENON prepaid. XENON will not accept collect shipments. Defective merchandise should be sent prepaid to:

XENON

2891 Via Martens

Anaheim, California 92806

All products that are returned as defective and are subsequently found to be non-defective, will be subject to a 20% restocking charge. Additionally, Customer will be responsible for freight charges.

All returns must have a legitimate XENON issued RGA number at the time of receipt. Any returns received without a legitimate XENON issued RGA number may be refused. RGA number must be visibly reflected on the shipment.

Issuance of RGA number shall not constitute approval for credit. Approval for credit of returned, defective merchandise will be at the sole discretion of XENON after said merchandise has been fully inspected and deemed in compliance with XENON Warranty policy.

Please consult XENON RGA approval documentation for specific palletization and routing instructions.

STOCK ADJUSTMENTS

Five percent (5%) of previous year's net purchases of XENON merchandise may be returned once a year as an annual stock adjustment. No obsolete or discontinued part numbers will be credited.

All stock adjustment requests must be submitted in writing and faxed to AMERICAN BEST CAR PARTS at 714-632-2738.

All stock adjustments must be accompanied by an off-setting two-for-one order. Off-setting stock adjustment orders do not qualify for any special promotions or programs that may be in effect at issuance of order.

A 20% restocking/repackaging charge will be applied to all stock adjustments.

Merchandise must be boxed in saleable condition and shipped in a manner so as not to be damaged in transit. Any merchandise not acceptable for credit will be destroyed, or returned to sender freight collect.

All stock adjustments must be shipped prepaid. All shipments must be accompanied by a packing slip and an RGA number. The RGA number must be clearly visible.

Credit will be issued at previous year's lowest net acquisition price.

SHIPMENT CLAIMS

Carrier delivering merchandise from XENON to your location is responsible for loss and damage. Acceptance of the shipment by the carrier is acknowledgement that the articles delivered to them were in good condition and properly packaged when leaving the XENON factory. Any damage or shortage is the responsibility of the consignee against the carrier.

Visible Damage

Have delivery person note on freight bill the nature and extent of damage(s)

Notify the carrier's office to inspect merchandise

File a claim for damages at once. In filing a claim with the carrier, you may

a) Request a cash adjustment for full value

b) Arrange to have repairs made

c) Replace the merchandise

Concealed Damage

If damage is noticed when merchandise is unpacked, notify carrier's office immediately and ask for inspection

Do not destroy packing materials until shipment is inspected and claim is settled

Shortages

All shortages must be reported within seven (7) days.

Check number of cartons delivered with the quantity shown on your bill of lading

If quantities do not tally, have driver note shortage

Should you need assistance with any claim, please contact XENON Customer Service 8:00 a.m. through 5:00 p.m. PST, Monday through Friday at 714-632-1709, and one of our qualified Customer Service Representatives will be happy to assist you.
